

## NEW ELECTRONIC SYSTEM FOR CANTEEN ACCESS AT THE SISSA

Starting from 18<sup>th</sup> April 2008 electronic procedure for canteen access will be available at the Bar inside the International School for Advanced Studies.

All students and research doctorates at the SISSA/ISAS will have access to the new electronic system by using a magnetic badge issued by ERDISU, for identification and meal payment.

ERDISU bears part of the meal cost, according to the income brackets of the consumers, who pay a price ranging from € 1.55 to € 4 for a full meal.

This procedure has been introduced to facilitate the students, so that they do not need anymore to buy meal vouchers at the ERDISU.
