

“Locazione Trasparente” is a Housing Service Scheme implemented by the University of Trieste, the Regional Student Rights Service ER.DI.S.U and the Italian Agents Association F.I.M.A.A. The aim of the programme is to provide students, researchers and grant holders with “approved” accommodation offers.

Beneficiaries of the Housing Service Scheme are Italian and foreign students, researchers and grant holders of organisations participating in the **Welcome Office** project :

Higher accessibility, transparency and economic advantages are the key factors in this initiative, whose goal is offering a service and benefits package.

are you looking for private rented housing?

A database will help you to find the best offers approved by F.I.M.A.A. registered letting agents:
