

## NOTICE REGARDING PAYMENT METHODS

According to DL 06.12.2011 n. 201 and sub. law 22.12.2011 n. 214. **from 7th March 2012** public administrations **cannot make payments exceeding 1,000 Euro in cash**.

Therefore, if you haven't collected your benefit by 6th March 2012, you will receive a bank check at the address specified in Esse 3 under "recapito tasse". Please note that this address must be in Italy.

If you prefer, you can choose a payment by bank transfer. In order to do so please write your IBAN in Esse 3. Please note that the bank account must be registered or co-registered under your name. You can also write the IBAN of your prepaid card; however, the card must be activated to receive a bank transfer.

**Please check and modify, if necessary, your details in Esse 3 as soon as possible.**

If you choose the payment by bank check, please make sure that your name is well marked on the doorbell and on your post box.

Please note that a mistaken or missing IBAN is one of the main reasons for delays in payments of any kind of benefit.
